ACCESS STONY BROOK UNIVERSITY REPORTING SYSTEM (SBUR)
Via Azure Virtual Desktop (AVD) Access
https://client.wvd.microsoft.com/arm/webclient

This is a guide to access Stony Brook University Reporting System (SBU Reporting) via the Azure Virtual Desktop (AVD).

Log in and connect
Access from Google Chrome or Microsoft Edge https://client.wvd.microsoft.com/arm/webclient
Sing in with your @stonybrook.edu, not @stonybrookmedicine.edu

Access SBU Reporting
Once logged in, please bookmark this Azure Virtual Desktop site
Click the “SBU Reporting” icon and allow “Access local resources”.
Sign in to SBU Reporting with your @stonybrook.edu email again.

Double click the “Stony Brook Reporting” icon and you are connected!

Help with Duo

Duo Security will send a push notification to your mobile device. If you like to use other methods of sign-in approval, for example text message or a phone call, you may click Other options. Choose “Yes, this is my device” if you are using your own computer.
If you have not yet set up Duo two-factor authentication, please go to DoIT Duo Security Two-step Login
https://it.stonybrook.edu/services/duo-security-two-step-login
