

## Introduction to Power BI for SBU Reporting – Navigation

## SBU Reporting Apps

Power BI reports and dashboards are delivered through “Apps”

We created an “Apps Hub” to highlight key academic and financial apps available to you

The screenshot displays the Power BI Apps Hub interface. At the top, a header bar features the Stony Brook University logo and the text "Power BI Apps". A left-hand navigation pane includes icons for Home, Create, Browse, Apps (highlighted with a red box), Learn, Workspaces, and My workspace. The main content area is titled "Apps" and includes the text: "Apps are collections of dashboards and reports in one easy-to-find place." Below this, two app cards are shown, each with a red box around its title:

- Academics Apps Hub** (Central Hub for academic reporting):
  - Owner: Andy Wang
  - 8/6/2025, 11:02:26 AM
- Financial Apps Hub** (Central Hub for financial reporting):
  - Owner: Andy Wang
  - 8/11/2025, 1:00:12 PM

Each app card also features a Power BI icon and a star icon for favoriting.
