DoIT Student Advisory Board Meeting
12/6/13

This meeting did not have any GSO representation.
It was the first meeting that a USG representative was at.

Summary of previous meetings this Semester was provided as a courtesy to the USG representative

We discussed ideas of different ways to reach out more to Undergraduate students about the services we provide.

This meeting occurred during the course evaluation process, we discussed different ways of promoting the new course evaluation system and students shared what they liked and disliked about the course evaluation system.

All in attendance were encouraged to let their constituents know that we are happy to visit their meetings....just email: diana.voss@stonybrook.edu

Intentions to install printers in Javits Lecture Hall and increase library SINC Site hours for Spring were communicated as well.
